

Online Teaching and Learning Delivery - Training and support needs

Over the past few months the eLearning Team, Teaching & Learning Coaches, and Innovation & Excellence team have provided a program of training to support and develop online development of learning. We'd like to discover more about your individual training and support needs to better provide support that is relevant and timely in the coming weeks. Please respond by 28th September.

1. What is your name?

2. What is your email address?

3. Please identify up to THREE aspects of Online Teaching where you would like further training and support. (required question)

Try and give as much information as you can about the specific support you need with a platform.

4. Are you confident about asking for further support? (select one)

Yes

No

I'm not sure

5. Are you more likely to participate if: (select one)

The training is live and held earlier in the week

The training is live and held later in the week

You can access the resources at your own pace

A combination of the above
